Trekking – A Step into Nature's Symphony

Activity

- Begin your day with a convenient morning departure from hotel.
- Arrive at the Khao Phra Taew national park and meet your local guide. Embark on a short hike to Ton Sai Waterfalls. On this journey you might experience hearing the cry of Gibbon – the loudest mammal as our experienced guides during your tour will be the lookout for spotting wildlife, but you need a bit of luck to have a real wildlife encounter.
- Lunch at the national park
- Listen to the soothing sounds of rushing water and birdsong as you enjoy the waterfall.
- Head back to the hotel with a heart full of tranquility and a renewed appreciation for nature's wonders.
