Trekking – Above the Clouds

Activity

- Are you ready for the adventure!! We will first visit the Karon View Point in the south of the island, where you can see their beaches (Kata Noi, Kata, and Karon beach)
- Drive or Ride the ATV on that roughly road for a good kilometer until we reach the big black stone with “Pa Hin Dum” (Black Rock) written on it. *(optional)*
- We start the climbing the little hill trail. The climb is about 300 meters long, a bit steep but relatively easy to follow as the path is getting wider every day.
- From up there you will get to admire a superb bird view on the famous Nai Harn Beach and Promthep Cape and many islands beyond.
