MALISA X PHUKET BIENNALE

MALISA X PHUKET BIENNALE celebrates the harmony between nature, art, and refined living. Inspired by the spirit of the Phuket Biennale, this curated experience invites guests to slow down and rediscover the simple elegance often lost in modern life.

The itinerant Thailand Biennale was initiated to decentralise contemporary art in Thailand and engage new audiences, revitalising and reimagining provincial destinations for visitors and locals alike. After the inaugural biennale in Krabi (2018) and a second in Korat (2021), its third edition took place in Chiang Rai (2023) in the country's north. Thailand Biennale Phuket will be the fourth exhibition in the series, organised by Thailand's Office of Contemporary Art and Culture in partnership with the provincial government of Phuket.

PHUKET BIENNALE

PHUKET BIENNALE creates meaningful, nature-connected experiences through art and place. Rooted in Phuket's landscape, the Biennale invites reflection, restores balance, and inspires a deeper connection between people, nature, and creativity, while celebrating and conserving the natural world.

KATA BEACH

Kata Beach is one of Phuket's most captivating coastal destinations, known for its natural beauty, serene atmosphere, and effortless elegance. With its soft sands, clear waters, and unspoiled surroundings, Kata Beach offers moments that feel both timeless and quietly inspiring.

MALISA VILLA SUITES

Malisa Villa Suites derives its name from the delicate, sweet scented white flower "Jasmine" or "Mali" in Thai.

Mali is a symbol of longing, love, good wishes, and loyalty to the family. The scent of Mali also has an entrancing ability to uplift the spirits and bring a sense of peace and calmness

Malisa Villa Suites is committed to follow sustainable hotel practices to make our world cleaner, greener, and safer.
