ABOUT MALISA

## ORIGIN OF MALISA

Malisa Villa Suites derives its name from the delicate, sweet scented white flower “Jasmine” or “Mali” in Thai.

Mali is a symbol of longing, love, good wishes, and loyalty to the family. The scent of Mali also has an entrancing ability to uplift the spirits and bring a sense of peace and calmness

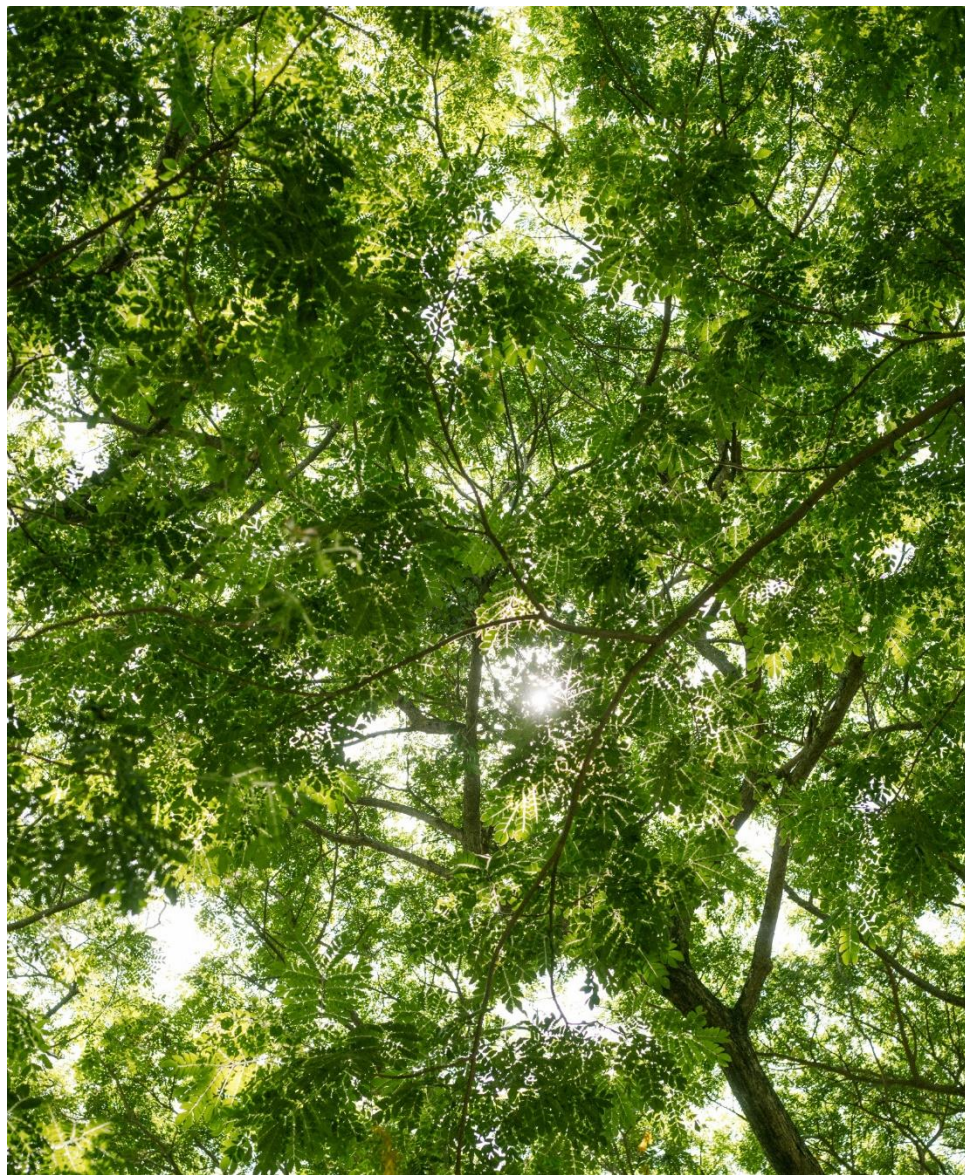

## A SENSE OF PLACE

Take a journey into contemporary Thai architecture in historic settings.. Art and decorative elements of the Malisa Villa Suites have a timeless appeal that elevates a sense of place, history, and cultural heritage.

## GREEN PRACTICES

At Malisa Villa Suites, we are committed to follow sustainable hotel practices to make our world cleaner, greener, and safer.

**Sustainable Sourcing** Locally sourced food and beverages and responsibly sourced seafood.

**Waste Reduction** Recycling program, no single-use plastic straws, and refillable toiletry containers.

**Energy Efficiency** Energy conservation program and energy efficient lighting.

## THE SPACE TO BE

With 47 villas, Malisa Villa Suites promises an intimate tropical experience, offering one of Kata's most tranquil scenes.

Featuring one- and two-bedroom suites with 120 to 200 square meters, these fully-furnished suites come with spacious bedrooms, baths and bathroom vanities, fully-equipped kitchen, dining area, private pool, expansive patio with sun loungers.

## THE DESIGN ELEMENTS

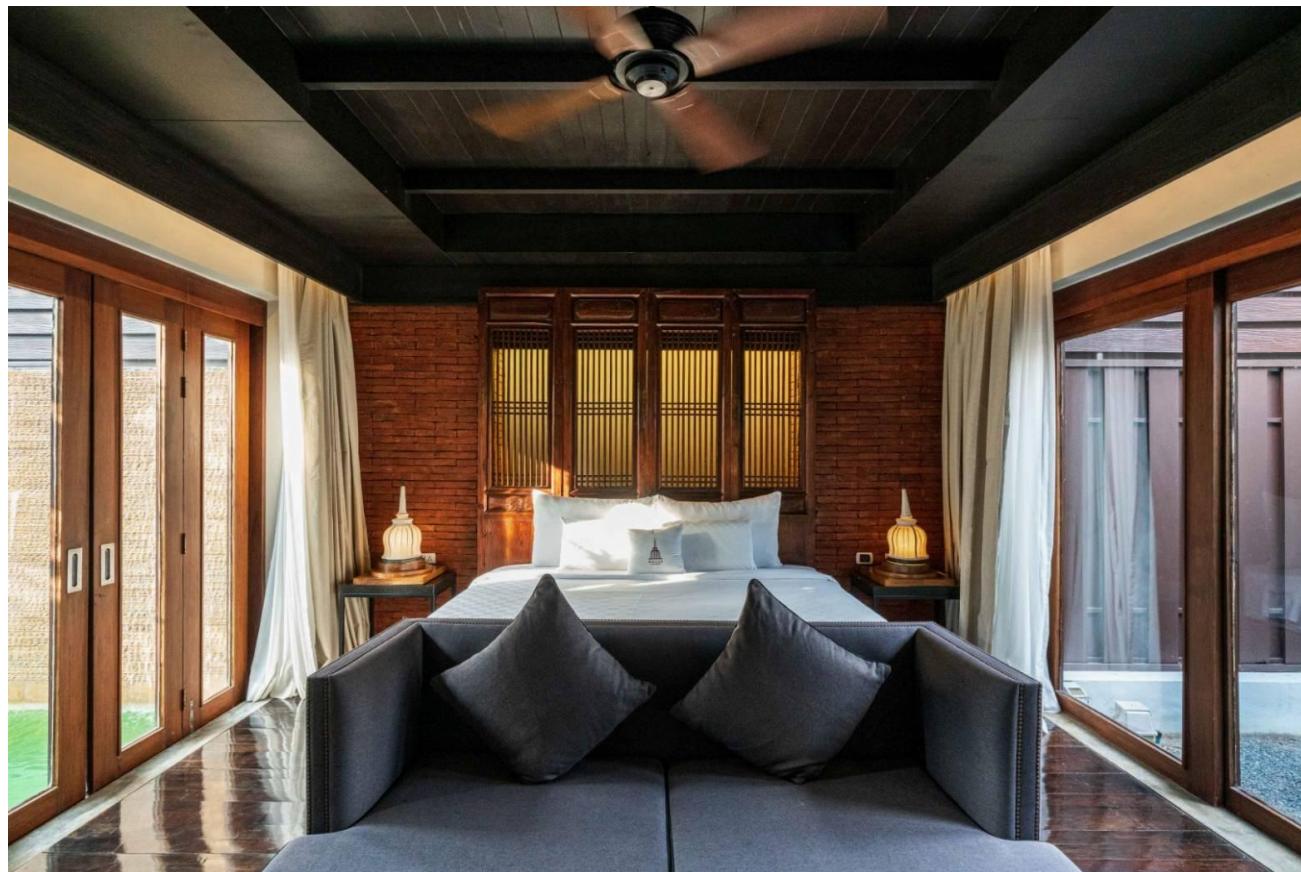

Elegance and Timeless are the two words that define Malisa Villa Suites. Both designs: Siamese Timeless and Tropical Elegance, feature the wooden and white interior with abundant natural lighting that creates an atmosphere where guests can truly relax and unwind.

## SIAMESE TIMELESS

A social space with classic design of natural wood furnishings that blends a tropical lifestyle with Siamese aesthetics. The wooden and white palette used throughout the space keeps it subtle and tasteful. The spacious living area also makes it comfortable for family and friend gatherings.

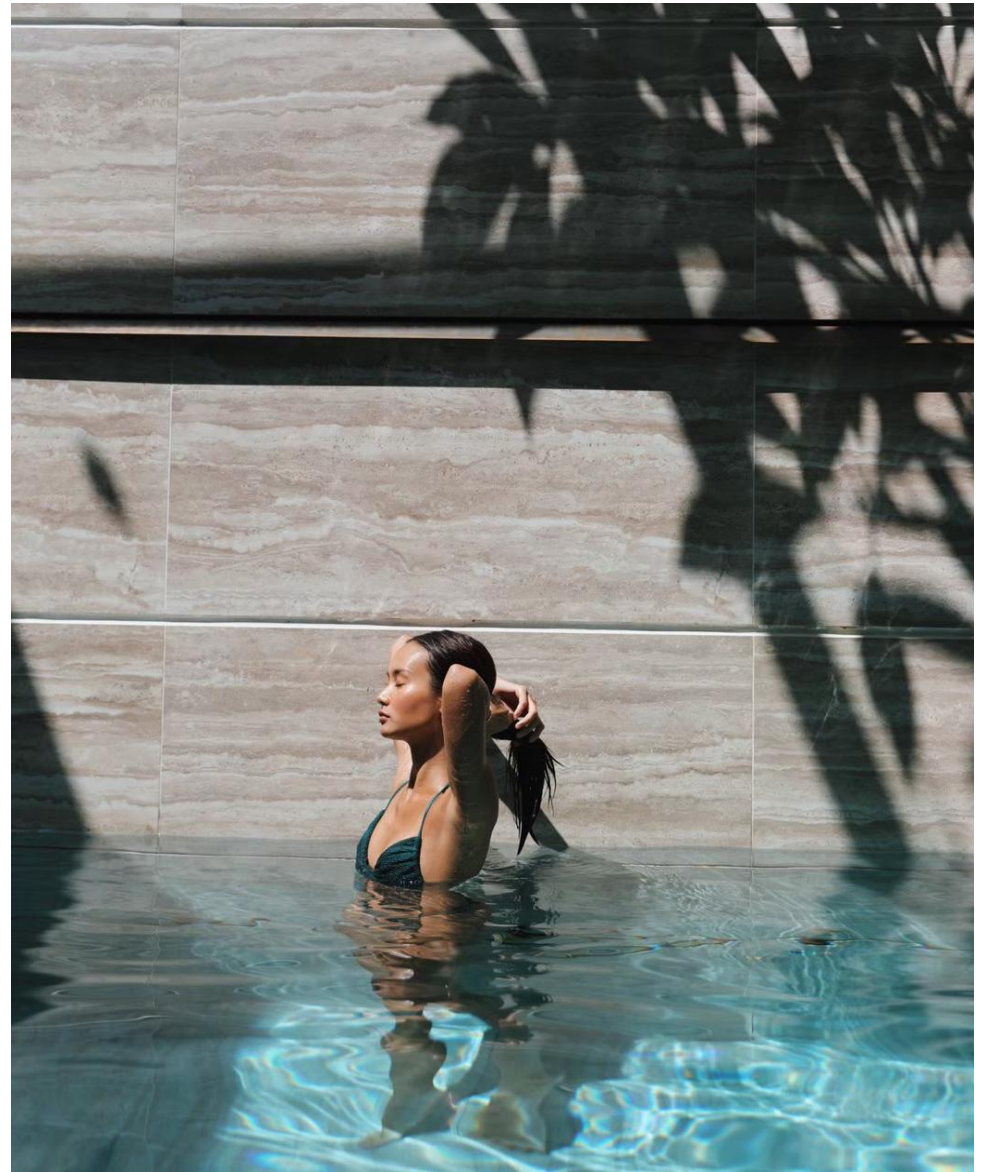

## TROPICAL ELEGANCE

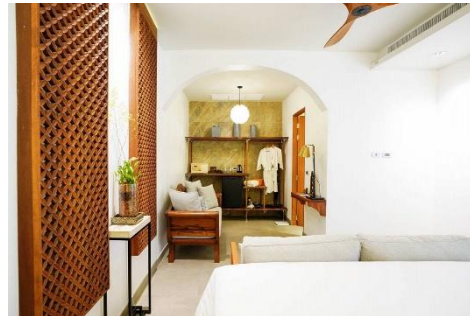

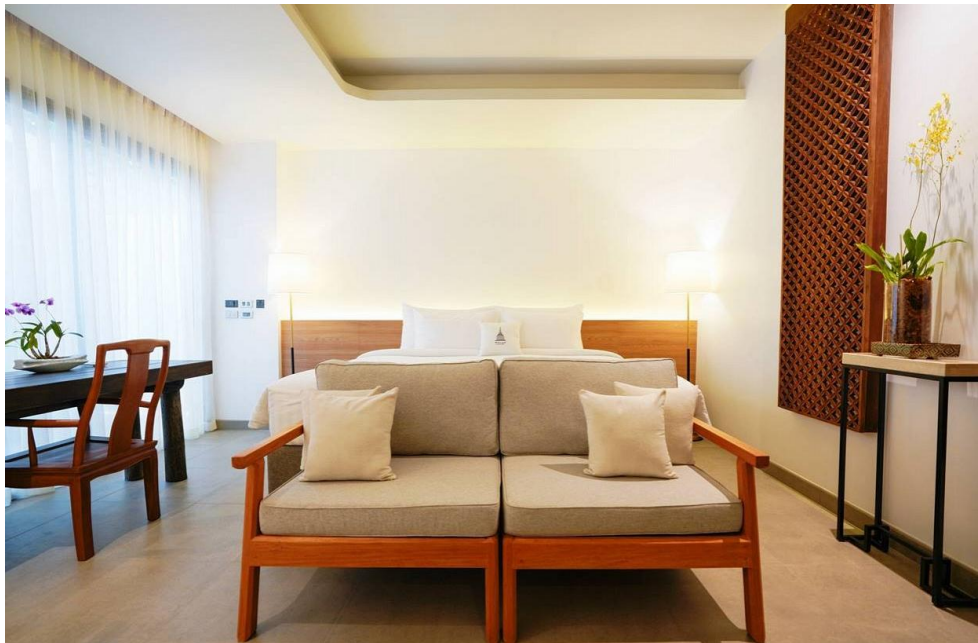

A serene space with natural wood and stone flooring that creates warm look in tune with nature. The floor-to-ceiling windows and the wooden furniture elements create one well balanced and organic ambience. The color palette of wooden and beige tones enhances the expression of tropical ease. The refreshing presence of living plants and the light blue shades of pool water induce a sense of relaxation and ultimate calmness.

*Let yourself sink, relax,  
and unwind by your own  
private pool*
