## Malisa's Day Trip – Unveiling Heritage

### Activity

---

- Begin the tour by meeting at the hotel lobby – departure point.
- Immerse yourself in the world of Batik at Chai Batik, where vibrant colors and intricate patterns come to life.
- Next, explore the serene ambiance of Wat Lang San, a temple steeped in history and spirituality. Marvel at its intricate architecture and take a moment for introspection.
- Next, we visit the Jui Tui Shrine – Witness the captivating blend of Thai and Chinese influences as you explore this vibrant and spiritually significant site.
- We'll continue our trip to Phuket Old Town. Stroll through the charming streets lined with colorful Sino-Portuguese architecture, visit quaint shops, and uncover the fascinating history and culture of this captivating area. If our trip falls on a Sunday, we have a special treat in store for you – the Phuket Old Town Night Market.
- Return to your hotel, carrying the memories of cultural insights, artistic expressions, and the authentic flavors of Phuket.
